

## HAPPY VALLEY CHILDREN'S RANCH 2018 SUMMER CAMP PROGRAM

### Program Description

We invite you and your child to come with us through a six-week journey of **Nature** and **Science!** Our Summer Camp classes this year are named after the fun characters we all know and love: the Minions, the Trolls, and the Smurfs. The children will be learning about a science concept each week: flowers, plants, wildlife, farm life, insects, rocks and minerals. The summer Camp is for ages 3 through 6. Your young scientist will enjoy fun themed pretend play, outside games, interaction with our farm animals, science experiments, and crafts. There are also some very special things planned:

- **Water Week**

A week filled with playing with water, cool pools, fun water slides, and wild sprinklers for children to experiment with and enjoy!

- **Family Fun Day featuring: The Mad Science Show - Up, Up, and Away!**

*“This spellbinding special event introduces children to the principles of air and pressure. Hot air balloons, vortex generators and even a hovercraft will help children understand the power of air.”*  
(Parents will be invited to join us).

- **Fun with our Happy Valley Farm Friends**

The children will love riding our ponies: Cinco, Orbit, Magic and Sky! They will also spend time with our goats Daisy and Otis, our pig Charlotte and Jack the Rabbit in our outdoor petting pen.
