INSIDE THE CLASSROOM

- We continued our theme of 4 seasons with the season of fall this week! The children had a blast raking colorful fall leaves with rakes and putting the leaves into wheelbarrows and yard pails.
- In art and fine motor, we made leaf rubbing, fall trees and pumpkin and apple books. We also made pinwheels to put on the door for our spring theme.
- We practiced writing the letters W and X in our Get Set for School Books and had fun forming the letters using wood pieces and roll-a-dough.
- We learned about fair ways to play and practiced in small groups and center time: taking turns, trading, playing with the same thing together, playing with something else, or coming back in a few minutes.
- We also read a story called Share and Take Turns and talked about taking turns and sharing and how that helps us have friends and feel included.
