

Bubblegum Weekly News

April 2-6, 2018

INSIDE THE CLASSROOM

- We are exploring our Around the World Theme this month. Our first stop this week was Italy. The children learned how to say hello and goodbye in Italian. The children had so much fun cooking pasta, meatballs and pizza in the dramatic play center.
- In Second Step, we talked about how we can say a problem to a friend or friends and come up with solutions. The children worked together to solve the problem and it was sweet to see how much they have grown in this area. We also read the book I Have a Little Problem Said the Bear. Ask your child what they remember about the story.
- In Get Set for School, we continued reviewing colors. This week was blue and orange. We learned color songs, played color games, and practiced coloring blue and orange shapes and items.
- We are featuring our farm friend Charlotte the pig this month and we will continue our learning this entire month. One Bubblegum pointed out that Charlotte should have a husband and only two kids. When we asked the child why? They said because it would be too busy and full in the pen.

OUR FARM FRIENDS

The children really enjoyed visiting our goats, pig and rabbit in the barn on Wednesday and Thursday. We took pictures, so look out for these pictures in your child's portfolio. Also, the children in the Tuesday AM class got to see Checkers and Lambert sheered by our Sheep Sheerer, Mr. Scott from New Zealand. They were mesmerized!

Home Connection:

See this week's Second Step Home Link 23 Saying the Problem attached to our email.

SHOW & TELL: Please have your child bring a show and tell item that begins with the first letter of their last name on Wednesday and Thursday.

Important Dates:

April 16 & 17 Class Pictures

April 20 No School (In-Service Day)

April 25-27 No School (Parent-Teacher Conferences)

Class Pictures

On April 16th and 17th we will be taking class photos in the barn with the animals. If you haven't ordered your picture, we have order forms in the office.
