

Crackerjack Weekly News

April 2-6, 2018

INSIDE THE CLASSROOM

- We started investigating the world and different cultures this week. We loved going to Ancient Egypt and building pyramids. We were fascinated with the concept of mummies! We also learned 3 Egyptian words and listened to Egyptian music.
- In Second Step, we practiced what to do when we have a problem. We calm down and then we use words to name the problem and talk about it so we can get help. We had Jack and Jill (our classroom puppets) tell us stories and we identified how to fix our problems.
- In Get Set for School, we continued reviewing colors. This week was blue and orange. We learned color songs, learned how to spell the colors, played color games, and practiced coloring blue and orange shapes and items.

OUR FARM FRIENDS

The children really enjoyed visiting our goats, pig and rabbit in the barn on Wednesday and Thursday. We took pictures, so look out for these pictures in your child's portfolio. Also, the children in the Tuesday AM class got to see Checkers and Lambert sheered by our Sheep Sheerer Mr. Scott from New Zealand. They were mesmerized!

Home Connection:

See this week's Second Step Home Link 23 Saying the Problem attached to our email.

SHOW & TELL: Please have your child bring a show and tell item that begins with the vowel sound "O" on Monday or Tuesday next week. If you are in the M-TH PM class, please bring your item on Tuesday. Please note that show-n-tell will only be done once a week.

Important Dates:

April 16 & 17 Class Pictures

April 20 No School (In-Service Day)

April 25-27 No School (Parent-Teacher Conferences)

Class Pictures

On April 16th and 17th we will be taking class photos in the barn with the animals. If you haven't ordered your picture, we have order forms in the office.
