INSIDE THE CLASSROOM

- We continued our Around the World Theme this month with the country of South Africa. The children had fun pretending they were on a Safari with binoculars, safari hats and leopard print scarves! The children loved taking care of the giant stuffed giraffe, elephant and lion! We even got to listen to African music! We also learned that it would take two days to fly to South Africa from our house.
- As part of our Get Set for School Curriculum, we practiced number matching and learned more rhyming words.
- Our Second Step puppets, came to talk to the class about how to explain a problem using our words and so that we can seek help and solutions when we have a problem. We also reviewed our "Fair Ways to Play" when we want the same toy/item that someone else has.
- We continued practicing songs for our end of the year show in May! The children are doing a great job at music practice.

OUR FARM FRIENDS

It was an exciting week with our farm friends! Not only did we get to spend time with our favorite pig, Charlotte, in the petting pen, WE HAD PONY RIDES! Cinco, Magic, Orbit and Sky did great on the pony ring.

Home Connection:

See this week's Second Step Home Link 24 Thinking of Solutions attached to our email.

To reinforce learning, ask your child what they learned about South Africa. Also ask them about words that rhyme.
