

Peanut Weekly News

April 9-13, 2018

INSIDE THE CLASSROOM

- We continued our theme of countries around the world with Egypt! The children enjoyed fun 3-D décor such as pyramids, camels, palm trees and mummy masks in our dramatic play area. It was great to see children working together to build pyramids with blocks and boxes and later different size cups.
- We read the book We're Sailing Down the Nile and pretended to sail on a boat down the mighty Nile River to see many of the famous sites in Egypt such as the pyramids, the Great Sphinx, Cairo, open markets and more!
- Mike, our Second Step puppets, came to talk to the class about how to explain a problem using our words and so that we can seek help and solutions when we have a problem. We also reviewed our "Fair Ways to Play" when we want the same toy/item that someone else has.
- The children built paper pyramids and created fancy and colorful Egyptian neck pieces. One Peanut was so inspired by learning about Egypt that she said, "When I grow up, I am going to visit Egypt and the pyramids".
- We continued practicing songs for our end of the year show in May! The children are doing a great job at music practice.

OUR FARM FRIENDS

It was an exciting week with our farm friends! Not only did we get to spend time with our favorite pig, Charlotte, in the petting pen, WE HAD PONY RIDES! Cinco, Magic, Orbit and Sky did great on the pony ring.

Home Connection:

See this week's Second Step Home Link 24 Thinking of Solutions attached to our email.

Ask your child if they remember what shape many of the pyramids are?

Important Dates:

April 16 & 17 Class Pictures

April 20 No School (In-Service Day)

April 25-27 No School (Parent-Teacher Conferences)

Class Pictures

On April 16th and 17th we will be taking class photos in the barn with the animals. If you haven't ordered your picture, we have order forms in the office. **The last day to order pictures will be April 19th.**
