

HAPPY VALLEY CHILDREN'S RANCH 2019 SUMMER CAMP PROGRAM

Program Description

We invite you and your child to come with us through a six-week journey of **Nature** and **Science!** Our Summer Camp class names this year were inspired by Colorado mountain exploration: the Little Rangers, the Little Scouts, and the Little Mountaineers. The children will be learning about a science concept each week: flowers, plants, wildlife, farm life, insects, rocks and minerals. The summer Camp is for ages 3 through 6. Your young scientist will enjoy fun themed pretend play, outside games, interaction with our farm animals, science experiments, and crafts. There are also some very special things planned:

- **Water Week**

A week filled with playing with water, cool pools, fun water slides, and wild sprinklers for children to experiment with and enjoy!

- **Family Fun Day featuring: The Mad Science Show – Spin, Pop, Boom!**

This spellbinding special event introduces children to a world of exciting chemistry defying gravity with didgeridoos, foaming hands and steaming chemical reactions! Parents will be invited to join us!

- **Fun with our Happy Valley Farm Friends**

The children will love riding our ponies: Orbit, Sky, Trixie and Rocket! They will also spend time with our goats Daisy and Otis, our pig Charlotte and Mify the Rabbit in our outdoor petting pen.

Program Schedule

The program begins on June 10th and ends July 25th. The camp will be closed the week of July 1-4th for the 4th of July holiday. Children attend a 3-hour session, two days per week from 8:30 a.m. – 11:30 a.m. or 8:45 a.m. – 11:45 a.m. The choice of days is Monday and Wednesday or Tuesday and Thursday.
